and Minimally
Invasive Surgery***

**23-24 April 2021
VIRTUAL MEETING**

PRELIMINARY PROGRAMME

<http://www.memis-bg.com>

WELCOME MESSAGE

Dear esteemed colleagues and friends,

Following a difficult year 2020 full of challenges due to COVID, it is a pleasure to invite you to join the 11th Meeting Endourology and Minimally Invasive Surgery, which will be conducted virtually on 23-24 April 2021.

The 11th in a row meeting aims to offer an up-to-date insight on modern diagnostic and therapeutic techniques in endourology and minimally invasive surgery, and is organized by Military Medical Academy of Sofia with the support and endorsement of the Bulgarian Association of Endourology and SWL, the EAU Section of Urolithiasis (EULIS), the International Alliance of Urolithiasis (IAU), the South-Eastern Group for Urolithiasis Research (SEGUR), Urology in Emerging countries (U-Merge) and Experts in Stone disease (ESD).

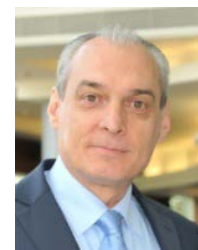

The scientific programme of the meeting will focus on state-of-the-art lectures, video sessions and tips and tricks delivered by a distinguished and internationally renowned faculty, giving the opportunity to the participants to update their knowledge on endourology and minimally invasive surgery. The delegates will have the opportunity to present their own work at the virtual poster's corner.

The first virtual edition of the 11th Meeting "Endourology and Minimally Invasive Surgery" is expected to become once again a meeting point for urologists and young doctors working in the field of minimally invasive urology and interested in mastering the art of Endourology and minimally invasive surgery.

We're looking forward to meeting you online,
Hoping to be able to meet in person in 2022,

Prof. Ventsislav Mutafchiyski
Honorary Chairman of the
Organizing Committee

Prof. Iliya Saltirov
Chairman of the
Organizing Committee
